

## Equipment list for the Ranch:

**Cooler, ice chest, Rubbermaid container, or dry box to put the meat in.  
If you are taking whole animal to butcher, bring a tarp to place animal on.**

**Blocks of ice or bags of ice to keep meat cold.**

**Ice is available for purchase about 5 miles from the ranch.**

**Skinning and quartering is available for a \$25 charge.  
Also, the meat can be cut into 15 pieces for an additional \$10 charge.**

**If you choose to, you can skin your own animal  
- make sure to bring your knives and bone saw.**

**Good boots.**

**Sunscreen.**

**Sunglasses and hat.**

**Binoculars.**

**Rangefinder (optional).**

**Camera and/or video camera to capture memories.**

**Cooler with plenty of drinks, snacks, and lunch.  
There is no drinkable water at the ranch.**

**Non-potable water is available in small quantities (for hand washing, etc.)**

**Bedding for overnight stays in the bunk house. For overnight stays,  
we also recommend flashlights - there is no electricity.**

**Firearms and ammunition. 22s are not allowed for hunting unless accompanied by  
a ranch guide. 223 and larger is acceptable. Shotguns with slugs are also ap-  
proved. Shooting sticks may be valuable to you.**

**22 caliber rifles and handguns are ok to bring for target practice.**
